Safety Precautions

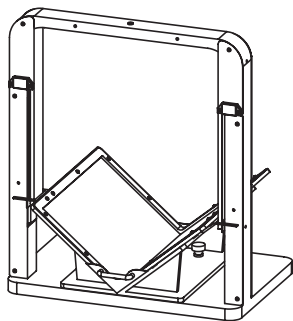

Assemble everything on the floor first. Once the assembly is complete, carry the whole machine with at least 2 persons from the floor to the table.

- Place the machine on a level surface to ensure proper working condition. Do not tilt the machine.

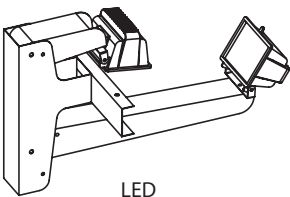

- Do not place the machine near heaters or volatile, flammable or combustible materials that may catch fire.

- BookDrive Mini is not designed to be lifted. Do not lift or relocate the machine once it has been fully assembled. To relocate the machine, de-assemble it into parts first and then re-assemble them again at the desired location.
