

SCANITIZER

Yes, it SCANS and SANITIZES

Fever Screening Thermal Camera + Auto Disinfectant Spray Dispenser (2-in-1)

Detects body temperature of multiple people at the same time.

1. Thermal Camera Screens Fever in the Fastest Fashion.
- + 2. Kills Germs on All Visitors' Hands.

No installation needed.
Freestanding.
Plug and play.
Ready to use.

For High-Traffic Places Such As

Shopping Malls

Hospitals

Schools, Universities

Office Buildings

Government Offices

Hotels

Fever Screening Thermal Camera

- Designed for measuring human body temperature.
- AI Face Detection works on a large group of people with high speed and accuracy.
- Temperature detection range 30°C-45°C (86°F-113°F)
- Accuracy level within $\pm 0.5^{\circ}\text{C}$ ($\pm 1^{\circ}\text{F}$) without needing additional accessory. This level of accuracy can be used to screen elevated temperature which has to be confirmed by a secondary regular thermometer.
- Provides audio alarm and LED (green/red) light status when detecting persons with normal and elevated temperature.

Specifications: SCANITIZER with spray system

Camera Type:	Thermal Imaging Camera
Spray System:	Yes
Tank Volume:	5 liters (1.32 gallon)
Body Dimension:	147 x 25 x 25 cm (57.9" x 9.85" x 9.85")
Footprint:	30 x 30 cm (12" x 12")
Weight:	18 kg (39.7 lbs)
Box Dimension: (1 unit)	152 x 50 x 47 cm (60" x 19.7" x 18.6")
	28 kg (61.7 lbs)

FASTER

Safer with fast preliminary fever screening by a thermographic camera that respects physical distancing principle. Staff and customers feel more assured of their safety.

SAFER

The dispenser automatically dispenses disinfectant spray to all visitors' hands quickly.

SMARTER

With reporting feature built in, it provides stats of visitors with normal temperature and those with elevated temperature.

(Optional)

Automatic Disinfectant Spray Dispenser

- 2 spray nozzles left and right of the device at hand level
- Dispenses spray to the hands only
- Dispenses spray automatically as you bring your hands close to the device
- For use with skin-safe disinfectant that kills 99.9% of germs
